## School Presentation

Hyogo N.C.C College was founded in 1946 by Toshie Nuguishi. Recognized as an educational institution for dietician by the Ministry of Health, Labor and Welfare in 1950 and as a Vocational College by the Ministry of Education, Culture, Sports, Science and Technology in 1976, Hyogo N.C.C College aims to nurture a prominent member of society with kindness and independent spirit. Our education philosophy is based on knowledge and technique.

Hyogo N.C.C College instills and promotes strong values such as respect, trust and team work. ## Message from the director

*"Throughout years, the Summer Program has become one of the foundations of the Alliance by Institut Paul Bocuse, allowing students from our school to spread Japanese food, share traditional skills whilst discovering new culinary cultures. Every year, we solicit their participation since we know that this intensive program in Lyon will allow them to learn traditional French cuisine, techniques but also nouvelle cuisine."*
